Welcome to Harrogate Golf Club

Thank you for your enquiry and your interest in becoming a member of Harrogate Golf Club.

In this pack you will find information on the various memberships that Harrogate Golf Club has to offer. Whether you are a dedicated golfer or an occasional golfer, we have a selection of membership categories to suit you.

Harrogate Golf Club is an attractive 18 hole parkland course which was established in 1892, a par 69 course designed by the great Alister MacKenzie who is more famously known for the Augusta National. The course measures 6211 yards which in modern terms may seem on the short side but is often known for being a true test of golf. The course is mainly flat terrain with the option to play 9 or 18 holes.

The Club has an active membership, with friendly Mens, Ladies, Seniors, Rabbits and Junior sections as well as various teams.

As a member of the Club you will be able to take advantage of discounted drinks at the bar and a daily catering service. You will have full use of the extensive clubhouse for private functions and there is free Wi-Fi should you wish to have a business meeting. There are many other benefits which are outlined in the attached membership offers.

I hope to be able to personally welcome you to Harrogate Golf Club and know you will enjoy everything the Club has to offer. For further information or to arrange a tour of the Club, please contact the office to arrange a visit on 01423 862999 (opt 1) or email secretary@harrogate-gc.co.uk.

Kind regards
