

Harrogate Golf Club – Pathway membership package 2020/21

The Annual fee to be a Pathway member is £400 excluding England Golf Fees, Member's golf insurance and administration fee.

The annual fee is inclusive of 200 points which are be used for rounds of golf. Depending on when you choose to play determines how many points you use.

Additional points purchased in the membership year will be £50/£100 for 50/100 points.

This Pathway membership will be of interest to those new golfers wishing to take advantage of the flexible style of membership and acts as a 'pathway' into golf. In particular this package is an attractive consideration for those who are not currently members of golf clubs, or have a life style and work commitments that restrict the number of times available for play throughout the year.

Benefits of Pathways membership:

- ✓ Small initial fee compared with traditional memberships
- ✓ You get all the advantages of full membership without the full commitment
- ✓ Enables the member to gain or maintain an official CONGU handicap through entering supplementary scores or taking part in the midweek competitions and Saturday/Tuesday competitions staged throughout the year (subject to some time and competition restrictions)
- ✓ The member enjoys discounts on bar drinks and food.
- ✓ Access to all club facilities (free practice area, snooker room, 19th etc)
- ✓ Free Wi-Fi throughout the clubhouse
- ✓ Able to purchase a County Card or ICVS card for discounted golf at other courses
- ✓ BRS online booking system for competitions so getting your preferred time is easy.

You will enjoy all the benefits of being a member of Harrogate Golf Club. If you subsequently decide that you wish to transfer to 7, 6 or 5 day membership this can be done at anytime, subject to there being a vacancy, on payment of the difference between the flexible fee and the 7/6/5 day fee, and after subtracting any golf points unused at that point.
